

To our Friends and Family,

With much gratitude I want to start this letter towards you all, but first of all I give thanks to our Heavenly Father, for all the blessings and care He has given us. I asked my husband if it was possible to let me write some to you directly from my heart to yours, because how can I be silent when I've been so loved over measure, and blessed by you during my time in America. I just thank you all for your kindness, care, generosity, hospitality and love which you have shared towards me personally. You took care of all my needs while I've been there and so much more. Therefore I have no greater words to than to thank our Lord for you and to ask Him to bless you in return. You have opened your homes for us to have a place to sleep, you have given your time for us to be more than comfortable during our stay, you have spent time in prayer lifting our names above, and you have done many sacrifices for us to have more than enough many times.

"I thank my God upon every remembrance of you, always in every prayer of mine for you all making request with joy, for your fellowship in the gospel from the first day until now; being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ: "  
Philippians 1:3-6 KJV

As you already know it has been two months since we left America for Belgium... What an adventure and what a blessing for God allowing us to come back and serve into this country. We started going soul winning from the very first Saturday we have been here. Each time we are out on the streets the Lord shows His blessings and His faithfulness and gives us the eyes and hearts to see the need and the importance of the Gospel to be shared to this lost and dying world even more. Thank you all for your partnership with us in prayers for our house and church place as well. The Lord bountifully blessed in His time for it and gave us more than we had imagined or asked for. Thank you as well for praying with us for our documents; my green card has been approved and Junior started his visa process.

#### BLESSED NEWS

As some of you heard already, Junior and I are expecting a very sweet little blessing, yes our son. We thank God for allowing us to hold such a precious thing, and we ask Him to help us to raise this son for His Glory, for His will and way. Please pray with us for this, and at least know I am praying for you also. I am praying for many churches in America, that God will restore their first Love for Him again, to humble and seek after God again. Pray for us brethren as well, for our eyes to be focused on Him only.

Grace be unto you,  
Loredana Haley
